

Don't
trash our
future.

Recycle.®

Please keep the following items **OUT**
of our **Orange Recycle Bins**:

- Styrofoam
- Diapers
- Fish Guts
- Household Garbage
- Glass
- Hazardous Chemical Containers
- Auto Parts/Batteries
- Scrap Metal
- Plastic Pipe
- Wire/Coat Hangers
- Artificial Plants
- Grass Clippings
- Leaves

*All of the above items have been found in our bins which contaminate the load. This means having to move the entire load into the Landfill rather than being recycled.

Note: Please bring all the above items directly to the Landfill.

Who We Are

About Us

We are the Garbologists of the Highway 55 Landfill. We strive to keep as much recyclable goods out of the Landfill as possible.

We have separate piles for:

- Concrete
- Scrap Metal
- Compost
- Clean Wood
- Appliances
- Auto Batteries
- Electronics
- Used Oil Products

Most piles are then shipped off to their respective recycling locations. Others are chipped or ground up to minimize the impact to our Landfill.

Recycling is EASY

What can you do to help?

Highway 55 Waste Management Corporation offers single stream or co-mingled recycling service. This means **no more sorting** recyclables for you, making it **easier** to recycle. All approved recyclable material may be put in one bin. A current list of allowable material is contained in this brochure. Look for our orange recycle bins in your area.

Please take a few moments to check out our program. It is an easy and convenient way to make **your commitment to recycling** and protecting our environment. Your support and cooperation will assist us in diverting over 60% of household waste from our landfill.

Allowable Containers – Cleaned and Rinsed (Do not Bag or Tie)

- Aluminum soft drink & beer cans
- Household tin cans (please rinse)
- Milk Cartons and Jugs (please rinse & remove caps)
- Juice cartons, juice boxes and all tetra-pak containers (please rinse)
- Plastic soft drink & water bottles (please rinse & remove caps)
- Household plastic containers & bottles with a #1 through #7 recycling triangle on the bottom. Containers without a triangle or a triangle without a number are not accepted.

Hours of Operation:

Monday to Saturday 9 – 5PM

Closed all Holidays

NOTE: Plastic film products such as grocery bags & plastic packaging wrap are **NO LONGER ACCEPTED** for Recycling.

Single Stream ORANGE Recycle Bins
